And the scholarship goes to . . .

This fall semester, Gregory Jackson was selected by Centenary College as the recipient of this year's \$1,000 scholarship award sponsored by U.L. Coleman Companies. Dean of the Frost School of Business at Centenary, Dr. Chris Martin, and Professor Dr. Barbara Davis accompanied Gregory to the central office for the award presentation. Gregory received the award from Linc Coleman, owner, and was congratulated by several U.L. Coleman associates.

Gregory is a junior Finance and Business Administration major, and has expressed interest in Real Estate investments. Gregory is the President of Phi Beta Lambda, a member of the Centenary Choir, and a dedicated student with a positive attitude.

We congratulate Gregory and wish him the very best in all his future endeavors.

The U. L. Coleman Companies provide a full range of commercial real estate and multi-family residential services throughout Shreveport, Bossier City, and the southern region.
